AMERICAN ADVERTISING AWARDS

Selected to conceptualize and design all collateral for the 2019 Student ADDY Call for Entries and Award Show. [View Here](#)

SMILE FOR A CURE / PRO BONO WORK

Designed a series of marketing collateral in addition to Photoshop template products for Smile for a Cure, benefiting the National Canine Cancer Foundation.

EXPERIENCE

CEO, DESIGNER, WEB DEVELOPER

[3 Dollar Templates](#)

2009 – Present

Built and maintained a leading Photoshop template company for photographers in the US for 12 years.

- Conceptualized, designed, and made market ready thousands of products including branding materials, social media graphics, greeting cards, albums, and easy-to-use mock-up templates.
- Built and maintained the Shopify e-commerce site.
- Handled all marketing — print ads, digital ads, and social graphics as well as content.
- Unwittingly taught hundreds of photographers to use Photoshop through customer support.

WEB DEVELOPER / DESIGNER

[Clean & Green](#)

2006 – Present

Created all branding, as well as designed, developed, and maintained a billboard website that consistently receives daily inquiries resulting in new weekly or bi-weekly clients when within the service area.

WEB DEVELOPER / DESIGNER

[Cameron Home Inspection](#)

2003 – Present

- Created all branding/marketing materials and developed an online system for billing, obtaining digitally signed inspection agreements, and delivering digital inspection reports.
- Designed, developed, and maintained billboard website including custom inspection rate calculator.
